Hi All,

I have the final versions of the document with all issues addressed and ready to PDF. We have multiple files, 2 each with a September date on the cover and 2 each with an October date.

Any word on where things stand? I'm going to do one more glance through to make sure nothing is missing.

Should I go ahead and PDF using the laptop Ryan has? I guess he is out today so I can do this first thing Monday.

Jason
